Retail

Industry Leaders in Plug-in Supermarket Refrigeration

Supermarket Refrigeration Specialists

Since 1999, we have curated a range that spans the wide spectrum of plug-in refrigeration equipment to meet the needs of businesses in hospitality, retail, and healthcare sectors.

Expert Local Support

We offer a tailored equipment package, taking into consideration your specific needs. We then connect you with a trusted local dealer who stocks the units you require.

Confident Compliance

Our in-house engineering team ensures that our products meet and exceed Australian standards and regulations, including MEPS, GEMS, Watermark, and others.

Energy Efficiency and Sustainability

We proudly lead the way with our Green Cooling initiative. All our ranges utilise natural refrigerants, which are highly energy-efficient and have a close to 0 GWP (Global Warming Potential).

Available Australia-wide

With a nationwide distribution network, we can deliver our refrigeration products directly to your door quickly and efficiently.

5 Year Extra Care Warranty Service

We offer a one-stop support service for your peace of mind, no matter where you are in Australia.

**5 YEAR
EXTRA CARE
WARRANTY**

At Bromic Refrigeration, we're experts in commercial refrigeration. Built to withstand Australia's toughest conditions and backed by a leading 5-year warranty, our products provide you with peace of mind. From day one and every day after, you'll have real people, expert advice, and nationwide support behind you.

Frozen food

Deli Display Fridges

Bromic's range of deli display fridges has been engineered with a focus on durability, practicality, and food safety. The displays can be used standalone or seamlessly combined to create a self-contained service area in your shop.

Save on energy costs and reduce environmental impact with natural refrigerant

Bright LED lighting in natural light to enhance the presentation of displayed food

Enjoy easy access to food items with the hydraulic lift-up front glass

Accurate temperature control with a digital controller

Additional refrigerated storage space at the back to maximise storage

Rear bench provides convenient space for preparing and arranging your deli foods

The unit features removable display trays for easy cleaning plus removable front panel to quickly access and clean the unit for optimal performance

Choose between standalone use or multiplexing to expand the display area

Move the fridge around with ease thanks to castors

Specially designed for safe storage of perishable foods with 3M1 climate class certification

Accessories

WIRED SHELVES

Customise the look of your cake display with optional wire shelves to achieve a more industrial aesthetic. Available in a range of sizes to suit your Bromic cake display model. Can be purchased separately.

WARM LED LIGHTS

Beautifully illuminate products with 3000K of warm light. Designed to perfectly match the internal warm lighting of your Bromic hot food display.

Hot Food Display Cabinets

Bromic's Hot Food Displays are designed to keep your hot delicacies enticingly warm and ready for service. With all-side glass, internal LED lighting, and flexible shelving, they present hot favourites like pies and pastries in the most appetising way. Constructed with corrosion-resistant stainless steel and toughened safety glass, they make an ideal choice for the busy hospitality environment.
