# Industry Leaders in Plug-in Supermarket Refrigeration

## Supermarket Refrigeration Specialists

For over 24 years, Bromic have carefully curated a range of plug-in refrigeration solutions, perfect for the full spectrum of supermarket venues.

## Expert Local Support

We offer a tailored equipment package, taking into consideration your specific needs. We then connect you with a trusted local dealer who stocks the units you require.

## Confident Compliance

Our in-house engineering team ensures that our products meet and exceed Australian standards and regulations, including MEPS, GEMS, Watermark, and others.

## Energy Efficiency and Sustainability

We proudly lead the way with our Green Cooling initiative. 90% of our range utilises natural refrigerants, which are highly energy-efficient and have a close to 0 GWP (Global Warming Potential).

## Available Australia-wide

With a nationwide distribution network, we can deliver our refrigeration products directly to your door quickly and efficiently.

## 5 Year Extra Care Warranty Service

We offer a one-stop support service for your peace of mind, no matter where you are in Australia.

**5 YEAR  
EXTRA CARE  
WARRANTY**

**At Bromic Refrigeration, we're experts in commercial refrigeration.** Built to withstand Australia's toughest conditions and backed by a leading 5-year warranty, our products provide you with peace of mind. From day one and every day after, you'll have real people, expert advice, and nationwide support behind you.

# Deli Display Fridges

Bromic's range of deli display fridges has been engineered with a focus on durability, practicality, and food safety. The displays can be used standalone or seamlessly combined to create a self-contained service area in your shop.

Additional refrigerated storage space at the back to maximise storage

Convenient food preparation with a rear bench

Choose between standalone use or multiplexing to expand the display area

Accurate temperature control with a digital controller

Sliding plexi-glass to easily re-stock deli from the rear

Easy access to food items with hydraulic lift-up front glass

Easily remove display trays for cleaning

Bright LED lighting in natural light to enhance the presentation of displayed food

Move the fridge around with ease thanks to castors

Removable front panel to quickly access and clean the unit for optimal performance

# Modular Flake Ice Machines

Bromic's modular flake ice machines are designed to continuously produce dry, shapeless flake ice – ideal for food display applications, especially delicate produce like fresh seafood.

Stainless steel construction for corrosion resistance and easy cleaning

Shapeless flake ice cools rapidly without harming delicate produce

Electric PCB controller for easy settings adjustment and monitoring

Fully compliant with Australian safety standards and regulations

5 year Bromic Extra Care Warranty - Parts and Labour

Efficient cooling reduces ventilation clearance requirements for easier installation

Agion®-treated materials prevent bacteria growth for maximum hygiene

Head Only, Suitable storage bin: SB129, SB178, SB243, SB406. Sold separately.
